NOTICE DE MONTAGE

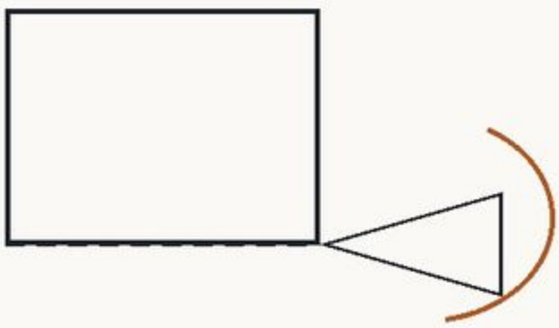

4 etapes et ta medina se leve

1 DECOUPE le long des traits pleins

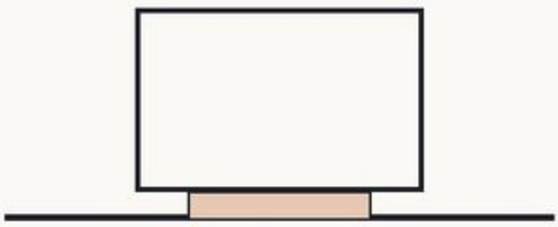

« ciseaux ici

2 PLIE la languette sur les pointilles

3 COLLE la languette sur la base

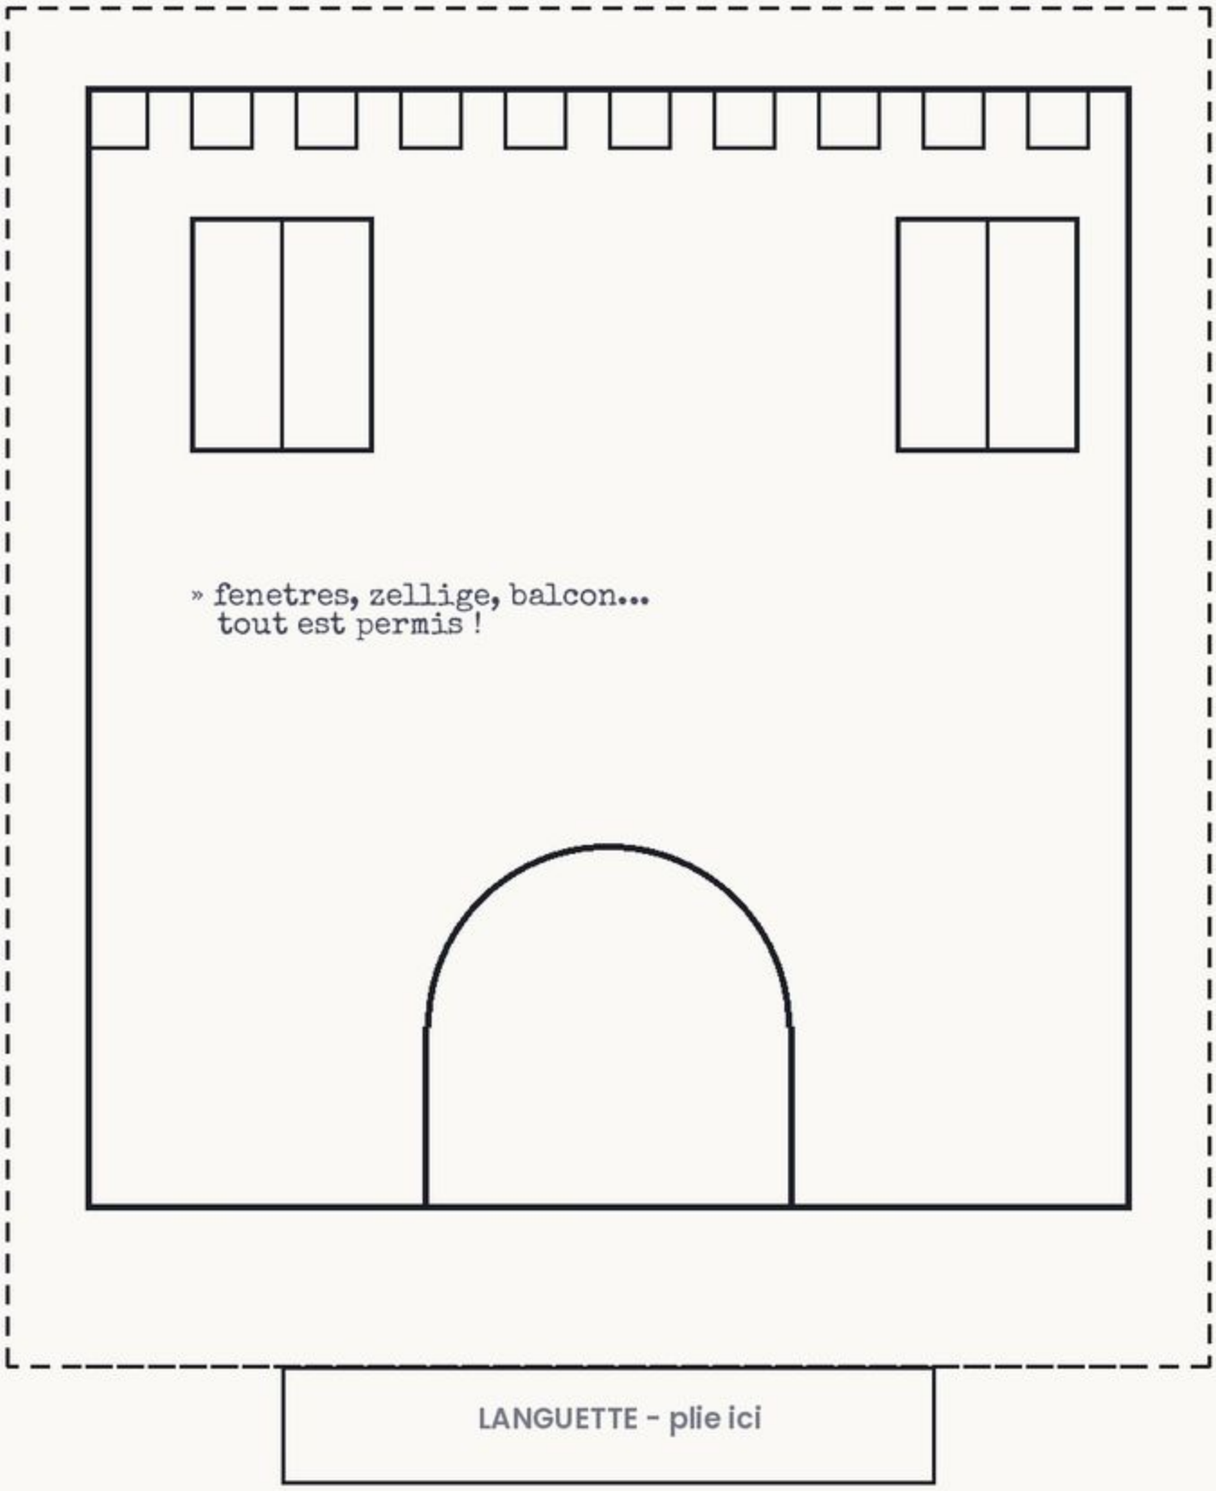

4 MONTE les plans dans l ordre

IDEE : le plus petit devant, le plus grand derriere – comme au theatre.

MON BATIMENT POP-UP

dessine ta facade, decoupe, plie, plante-la dans ta medina

IDEE : fais 2 ou 3 batiments et ta medina devient un quartier entier.

MA PLACE DE MEDINA

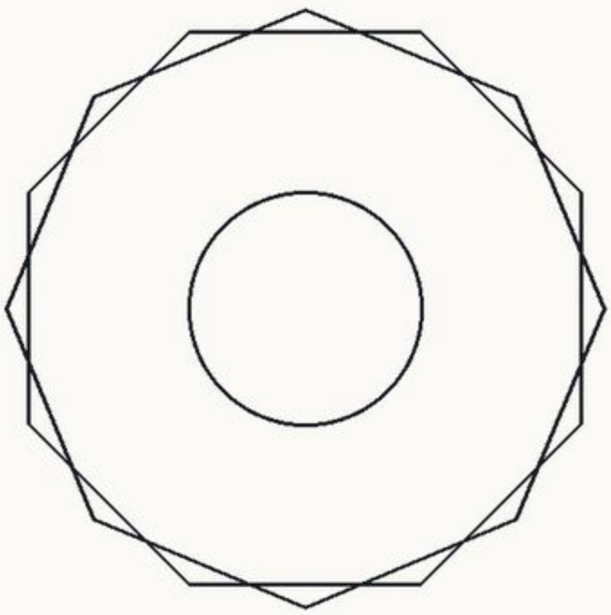

la base vierge - place tes batiments ou tu veux

IDEE : colorie la rosace comme un zellige : 2 couleurs qui se repetent.

GUIRLANDES & LANTERNES

colorie, decoupe, suspends au-dessus de ta place

LANTERNES :

Colorie chaque lanterne differemment : safran, Majorelle, menthe...

IDEE : un fil + du scotch et ta guirlande vole au-dessus de la medina.

IDEE : perce des petits trous dans la lanterne : la lumiere passera !
